Negotiators' Report For Week Ending April 9, 2010

The Union Committee did not meet with Alaska Airlines this week for face-to-face negotiations as the Company was unavailable. In fact, the Company was unable to provide any dates to meet during the month of April.

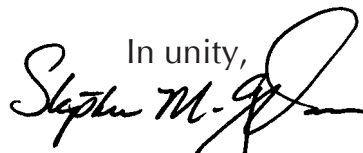

This week your Committee met in Seattle and worked on proposals for three articles that will be presented the next time we meet (May 4-5-6). The proposals for two of the articles are counter proposals to Company proposals previously received. The third set of proposals is on an article that has not yet had any exchanges.

During this week we also worked on a schedule for more station visits. We will go out on the road beginning Monday, April 12, and visit the stations of ONT, BUR and OAK. While in the Bay Area, we will attend the monthly union lodge meeting at Burlingame at Local Lodge 1781 on Wednesday, April 14.

The following is a list of Local meetings that the committee will be attending in April. We invite you to come to the meetings to hear our reports and have direct contact with the negotiators about the updates on negotiations.

- April 13, Tuesday, 4:00 PM: Local Lodge 2559/PHX
- April 14, Wednesday, 4:00 PM: Local Lodge 1781/SFO
- April 20, Wednesday, 5:30 PM: Local Lodge 601/ANC
- April 20, Wednesday, 4:00 PM: Local Lodge 2202/SEA

Stay Union. Stay Strong.
