# Negotiations

## Negotiators' Report for Week Ending February 19, 2010

### Ready For MARCH 2 !

The negotiators have returned to the property and are excited for a clear, unified voice on March 2 when we meet with the Company.

### Alaska Air Group Investment Review

The negotiating team, including General Chair Jackie Fay, attended the Alaska Air Group Investment Review meeting presented by Vanguard.

They gave an overview and pledge to their clients, which included a market and economic review and an investment performance summary, which should help during negotiations.

### Dependent Insurance Coverage

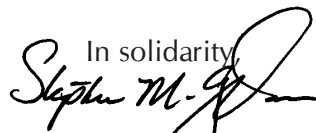

The negotiators will also be attending a health insurance meeting next week with the Company regarding dependent coverage.

### Have you Received and Completed the 2010 Bargaining Survey?

If you have not yet received a survey, make sure to contact your shop steward. **When you have completed the survey, please return it BEFORE MARCH 1, 2010 to a COPS Chief Steward or Steward.** We appreciate your participation.
