Drawing Closer To Victory

As we approach the time we will be filing for an election, we ask our current IAM-NWA membership as well as our future Delta union members to continue to express support, educate yourselves, be patient and exude confidence in the knowledge that we will win a representation election and secure a better future for all.

The campaign has been long – many times stressful and challenging. Our hard work is paying great dividends, though. Our union message, built on truth and fact, has reached a large number of frontline Delta employees who have signed union authorization cards.

The IAM organizers out in the field and our in-house Delta committees and contacts have not waivered in their battle for fairness and justice on the job. They have all worked tirelessly and with great dedication.

Our mere thanks can never be enough for what they have sacrificed in trying to achieve a voice in the workplace through a union contract.

We will make history together.

When The Time Comes ... Vote Union, Vote IAM.
